# EVERYBODY LOVES A LOVER

SCOTT DREIER JANE MONHEIT

“I was more than happy to lend my voice to this project...not only am I a lifelong fan of Doris Day, I'm also an animal lover of the highest degree. I'm awfully proud to have been a part of something that will benefit the small creatures that bring so much love and joy into our lives. ”

– Jane Monheit

“Doris Day continues to have a profound effect on my life. It has been humbling and an incredible honor to be able to celebrate her music, career, and life with my show, *Doris and Me* and now with my album *The Doris Day Project* which includes this single with glorious Jane Monheit.

As a life-long animal lover, one of the greatest gifts in my life has been getting to be of service to our beloved animals and their welfare. Nothing in the world compares to the devotion, loyalty, and unconditional love that our beautiful four leggers bring to this world and to our lives. They deserve this same devotion from us all in return! ”

“I'm grateful to the talented Scott Dreier for donating the proceeds of his new duet of EVERYBODY LOVES A LOVER with the wonderful Jane Monheit to the Doris Day Animal Foundation. I'd also like to thank Patty Allen of Charles Deitcher Productions for waiving the royalty fees for the song, so truly ALL proceeds will benefit the animals. “Everybody Loves a Lover” was a huge hit for me, and I'm thrilled and honored that this beautiful new version will help the precious four-leggers. Thank you all for your generosity! ”
